

GPL & Union City Library work together

Lawrence Sexton, Executive Director of Union City Public Library in Indiana, and Tracy Hendrix, cataloger at GPL, have formed a partnership in growing the DVD collection at UCPL.

Here at GPL, donated materials help to diversify and grow our collection. And every once in a while, those materials help out other local libraries, too.

Tracy Hendrix, a cataloger at our library, has also been a patron of Union City Public

Library for over three years now. Noticing how small the UCPL DVD collection was, she wanted to help out her fellow librarians. So with the permission of GPL Director Susi Halley, she began donating extra copies of DVDs from our collection to theirs.

In less than a year, she has helped to grow their DVD section from one and a half shelves to nearly seven! Both libraries are pleased with her efforts and proud to be in partnership with one another.

Library celebrates Friends of Libraries Week

Recently, GPL took some time to celebrate our Friends... our Friends of the Library, of course!

National Friends of the Library week is celebrated the third full week of October every year, so to honor our amazing Friends group, Circulation Supervisor Joanna Brown made some personalized gifts for each member.

Each Friend received a library-themed tumbler with their name on it. Joanna used the Cricut Crafting and Cutting Machine, that the Friends purchased for the library earlier this year, to decorate each cup. She also made a special card for the group.

The Friends of Greenville Public Library is a volunteer organization that has been serving our library and patrons since 1971. Through their efforts, they have provided GPL with help in purchasing necessary items outside of the library's annual budget, as well as fun extras like the Cricut and Lego Robotics kits.

One of their most popular fundraisers is the year-round book sale located in the computer lab. Books in the sale can be acquired for a donation.

For more information about joining the Friends of the Library or helping their cause, contact them at (937) 447-3521 or (937) 564-0323.

Winter & holiday Story Time kits coming soon

The library elves have been hard at work cutting out crafts, which means new Story Time To Go kits are coming soon!

Beginning Monday, Nov. 29, there will be a new batch of kits available. Some of the new kits to choose from include snowmen, penguins, baking,

squirrels, and snow globes.

There will also be a nice variety of holiday-themed kits including secular Christmas, religious Christmas and Hanukkah.

Each kit includes two to four books on the chosen topic, a craft, and

everything needed to complete the craft (library elves not included).

Until then, fall kits are still available and feature fun autumn themes like harvest, pumpkins and Thanksgiving!

To check out a Story Time kit, call the library and ask for Joanna!
